### **Webinar “The Artificial Intelligence Act: A New Fundamental Rights Instrument?”**

In December 2023 the European Parliament and the Council of the European Union reached political agreement on the AI Act, first-ever comprehensive legal framework on Artificial Intelligence worldwide. Join the Fundamental Rights Special Interest Group of the European Law Institute for a presentation and discussion on the fundamental rights implications of this new instrument with Judge Maja Brkan (Court of Justice of the European Union) and Professor Pascal Pichonnaz (President of the European Law Institute) on Thursday 1 February 2024.

Attendance to the webinar is free of charge but you will need to register in advance at the link below.

**Conference:** “The (Proposal for) AI Act: A New Fundamental Rights Instrument?”, by Judge Maja Brkan, Judge of the Court of Justice of the European Union and Endowed Professor of Digitalisation and EU Law (Maastricht University, the Netherlands)

**Discussant:** Prof Dr Pascal Pichonnaz, Full Professor of Law (University of Fribourg, Switzerland) and President of the European Law Institute (ELI)

**Moderator:** Prof Dr María-Teresa Gil-Bazo, Professor of International Law (University of Navarra, Spain) and Co-Chair of the ELI SIG Fundamental Rights

**Opening of Discussion:** Judge Bostjan Zalar, Senior High Court Judge (Administrative Court of the Republic of Slovenia) and Co-Chair of the ELI SIG Fundamental Rights

**Organised by ELI SIG Fundamental Rights, on Thursday 1 February 2024, from 15:00–16:30 CET over Zoom.**
