

**Council Decision CD 2015/8
of 3 September 2015
on ELI projects**

- (1) In accordance with Article 12(1) and Article 3 of the Statute, on the recommendation of the Executive Committee, and after hearing the Senate, the Council identifies the proposal for a project '*Empowering European Families – Towards More Party Autonomy in European Family and Succession Law*' as a project that has originated outside the ELI and should be adopted under Section 8 of the ELI Project Guidelines. It is to be carried out under the regular procedure (Article 12(2)(a) of the Statute).
- (2) The Reporters and other members of the proposed Working Group are appointed as specified in the project proposal.
- (3) The ELI and Reporters will negotiate a written agreement within the meaning of Section 8 of the ELI Project Guidelines about, amongst other things, the management, revision, intellectual property rights and publication concerning the project. This agreement will duly reflect the fact that the project is financed by an EU action grant under the Justice Programme JUST/2014/JCOO/AG/CIVI and will have to respect the deadlines and other conditions imposed by the financing scheme.
