## THE EUROPEAN LAW INSTITUTE

---

Founded in 2011, the European Law Institute (ELI) is an entirely independent organisation that aims to improve the quality of European law, understood in the broadest sense. This it does by initiating, conducting and facilitating research, making recommendations and providing practical guidance in the field of European legal development.

## ABOUT THIS EVENT

The ELI Special Interest Group (SIG) on **Business and Financial Law** was established in mid-2015. Topics of focus include codification and implementation of the EU company law directives. The SIG also focuses on gathering information to foster transparency and accountability on corporate groups and financial intermediaries in the era of new information technologies; the role of shareholders and shareholding in the European corporate governance debate, including long-term shareholder engagement; groups of companies and related responsibilities and liabilities; as well as cross-border mobility of companies, private international law and regulatory competition.

## AGENDA

---

- Report on Past Activities Such as the Background Paper 'The Current Challenges for the EU Company and Financial Law and Regulation' (2017)
- Preparation of the Next SIG Event: Workshop, Université Catholique de Lille (France)

Possible Topics:
